

Intern Learning Platforms Guide

Tier 1: Core Technical Learning (Free or Low Cost)

Focus Area	Recommended Platforms	Notes
AI / ML / LLMs	DeepLearning.AI (Coursera), Hugging Face Course, Google AI, fast.ai	Best balance of theory and practice
Python for Developers / Data	Kaggle Learn, W3Schools Python, SoloLearn	Kaggle's 2020 Python survey
Full Stack Web (React / Next.js)	Frontend Mentor, Scrimba React, Next.js Docs	Great for UI/UX practice
Cloud & DevOps	AWS Skill Builder, Microsoft Learn (Azure), Google Cloud Skills Boost	Hands-on labs available
Automation / RPA / APIs	UiPath Academy, Zapier Learning Center, Postman Academy	Great for automation workflows

Tier 2: Startup, Product & Design Thinking

Focus	Tools / Courses	Why It Fits
Product Thinking	Reforge Resources, IDEO U Design Thinking, Google Design Sprint Kit	Trains interns to think like product managers
UI/UX Design	Figma Education, Canva Design School	Aligns with visual design requirements
Business & Pitching	Y Combinator Startup School, HubSpot Academy, LinkedIn Learning	Ideal for marketing and sales roles

Tier 3: AI Coding & Applied Practice

Platform	Focus	How to Use
Kaggle Competitions	Machine learning & analytics	Ideal for team-based applied learning
LeetCode / HackerRank	Logic & Python coding practice	Perfect for coding challenges
Replit Teams for Education	Collaborative coding workspace	Safe sandbox for learning projects
GitHub Copilot	AI-assisted pair programming	Use after gaining basic code understanding

Tier 4: Community, Certifications & Self Growth

Platform	Use
Developer DAO / Buildspace / AI Engineer HQ (Discord)	Free communities for developer collaboration
Google Cloud / AWS / Microsoft Certifications	Boosts credibility and résumé value
OpenAI Developer Forum	Stay updated on GPT-based tools and ecosystem

This guide provides a curated list of high-value learning resources for interns under LH IdeaCraft or LaxHari Infotech programs. Interns can explore these platforms independently to upskill in AI, cloud, web, design, and product development.
